The discussion website will be regularly updated with the week's

slides and any additional materials that are relevant to the discussion.

Email:
Either kyledewey@cs.ucsb.edu or kyledewey@umail.ucsb.edu is

fine. Assume I will take at least 24 hours to respond; this is to avoid a

barrage hours before a project is due. That said, I tend to check my email

quite frequently, and I will likely respond within 8 hours.

Office hours:
Four hours on a typical week. For weeks where projects are due, I

will do six.
